YOUR AD HERE

Don't sit still for arthritis pain.

Arthritis hurts. Physical activity can help. Studies show that 30 minutes of moderate physical activity three or more days a week can help you move more easily. You can break it up, too. Start with a walk. Later, rake leaves or wash the car. Keep it up, and in four to six weeks you could be hurting less and enjoying life more.

Physical Activity. The Arthritis Pain Reliever.

Quotable Quote

An opponent is a person who sees a green light even when a tale a pursuer sees only the red of night. The truth was person is colorblind.

— Albert Einstein
