Reader Advisory: The National and Regional Advertising Associations we belong to may purchase classifieds in our publications. We advise that you determine the value of their service or product. In order to avoid misunderstandings, beware of ads that claim to guarantee loans regardless of credit and note that if a credit repair company does business only over the phone it's illegal to request any money before delivering its service. Some advertisers may require investment fees. Under NO circumstances should you send any money in advance or give the client your checking, license ID, or credit card numbers. All funds are based in US dollars. 800 numbers may or may not reach Canada. Fees for 900 numbers are listed in ads.
